

Please submit your sponsorship request by the September 30 deadline if you would like to be included in the greatest amount of marketing materials. Sponsorships accepted through December 2, 2016.

Over 100 attendees are expected to attend the 2016 annual conference, representing Federal, State, and Local agencies, seed and nursery industry staff, restoration practitioners, students, and academic researchers. Your sponsorship is an important way to support this meeting and the Southern Rockies Seed Network. Below are the sponsorship levels and commensurate benefits. For additional information, please contact John Giordanengo at 970-420-7346 or john@synergy3.org. For more information, visit www.synergy3.org.
